RITISM PLANS KEPT SECRET

legrine Make Herold Fight Repulse Austrians Greece Assures Parties of Continuance

London.-A dispatch to the Exhange Telegraph Company from thens says:

FALLS.

"It is learned from a good source that the French, after a three days' fight, have occupied Strumitzs and advanced 32 kilometers (about 20 miles) into Bulgarian territory. The ulgarians lost heavily."

Another dispatch from Athens says the Bulgarians have recaptured Veles (Kroprulu), Servia. Veles is 23 miles southeast of Uskup, and is on the railroad line between Uskup and Sa-

Austriana Repulsed.

The Montenegrins hold some atrong positions in Austrian territory, out of which they will have to be driven before their own country is invaded. In what other way Serbia is to be assisted has not yet been disclosed. lans, no matter at what cost. Some British troops are co-operating with the French in the south, and others are on the way, but where they

will be used remains a secret. Russian plans also have not ye been disclosed, although from German sources it is reported that Rumania much worse that is about to throw her lot with the entente allies and will allow the passage of a half million Russian troops through her territory to attack Bulgaria from the north.

Greece has assured the entente powers that her neutrality remains friend-Mr. J. M. Binclair. ed for four years ly to them, and has pointed out that she already has given them assistance by permitting the landing of their troops at Saloniki.

URGE RECALL OF WHITLOCK

Belgian Consul's Activities in Cavell Case Said to Have Ended His Usefulness.

London.-The Vossische Zeitung challenges the German government to can minister at Brussels, Brand Whitpatch to the Exchange Telegraph

"The recent Cavell case," says the Whitlock's activities, he being a minister accredited to Havre (the present seat of the Belgian government) and representative in Brussels, she must it was said her injuries probably were man government."

No Separate Peace for Jane London.-An Anglo-Franco-Russian joint note dated October 19, in which Japan was invited to join the allies agreement not to make separate peace treaties with the Teutonic powers and an acceptance, signed the same day by Ambassador Inoye, was published by the government.

Edison in Bed 14 Hours. Los Angeles, Cal.—Thomas Edi son answered an invitation to let school children "see" him with the exclamation. "You bet. I'm solld for the children," and lived up to it by visiting 21 public schools. Edison broke a record by spending 14 hours in bed and appearing at breakfast at 8:30.

Ministers Wouldn't Take Salary. London.-It has been revealed by the printed answer to a question put to the government in parliament that the Marquis of Lansdowne and Earl Curson declined to accept any salary when they received their appointments in the cabinet.

Russian Bishop Sued for Slander, Chicago.—Bishop Alexander Nemi-lowsky of New York City, head of the Russian Orthodox Church of America, is defendant in a suit for \$25,000, charging stander, filed by the Rev. Timothy W. Peshkoff.

Fame Without a Frame. A certain author, dining one eve-ning with the John Kendrick Bangses, became excited in the midst of a war talk and began to draw maps on the tablecloth with a pencil. When he realized what he had done he laughed. and said to Mrs. Banga:

"There are some who would have that framed." Said Mrs. Bangs to him: "And there are others who would

have it washed." America Has Its Advantages. An lowan by the name of John Sipes discourses as follows in the

Des Moines Register: "I would rather be a Hawkeye at long distance from the carnage on my little farm, eating roasting ears and pumpkin ples, fried chick and drinking cider, than to be a knighted German warrior on a Belgian field of gore with a bullet in my breast and but little food in my stomach; I would rather be a Hawkeye milking my bossy than a Russian on the double quick retreat, fearing bullets in my back. I would rather dig potatoes in

my tuber patch than be a human tar-get for 15-inch cannon." Mr. Sipe's head is entirely level. These are days when the hur circumstances of life in America are preferable to glory and dismemberment in Europe.

MOTHER'S "NOTIONS" Good for Young People to Follow.

"My little grandson often comes up to show me how large the muscles of his arms are.

"He was a delicate child, but has de eloped into a strong, healthy boy and Postum has been the principal factor.
"I was induced to give him the Postum because of my own experience

"I am sixty years old, and have been a victim of nervous dyspepsia for many years. Have tried all sorts of medicines and had treatment - from many physicians, but no permanent relief came.

"I used to read the Postum advertisements in our paper. At first I gave but little attention to them, but fir something in one of the advertise-ments made me conclude to try Pos-

"I was very particular to have it prepared strictly according to directions, and used good, rich cream. It was very nice indeed, and about bed-time I said to the members of the family that I believed I felt better. One of them laughed and said, 'That's another of mother's notions,' but the notion has not left me yet.

"I continued to improve right along after leaving off coffee and taking use I feel so well that I am all roung again. I know Postum was the cause of the change in my health and I cannot say too much in its favor. I wish I could persuade all nervous peo-

ANURIC The Newest Discovery in Ch

This is a recent discovery of Destor Pierce, who is head of the invalid's Hotel and Surgical Institute of Busine, N. Y. Experiments at Dr. Pierco's Hospital for several years proved that there is no other eliminator of uric there is no other eliminater of uric acid that can be compared to it. For those easily recognized symptoms of to you with urine and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rhouss-tism, it is simply wonderful how suretism, it is simply wonderful how surely "Anuric" acts. The best of results are always obtained in cases of acute rheumatism in the joints, in graves and gout, and invariably the pains and stiffness which so frequently and persect health by using one beautifully disappear.

Pierce's achievement to the pains and stiffness which so frequently and perfect health by using one beautifully disappear.
